

Dona J. Matthews and Joanne F. Foster (2005). *Being Smart about Gifted Children: A Guidebook for Parents and Educators* ISBN 0-910707-66-9  
Scottsdale, Arizona: Great Potential Press.

Reviewed by Susan McGowan in *Gifted Child Quarterly*, Summer 2006, Vol. 50, #3, 270-272

"*Being Smart about Gifted Children* is recommended for parents and classroom teachers who are just beginning their association with gifted children as it is a solid survey of the multifaceted topic of gifted education. There are many resources, experts in the field, and Web sites provided in the book that can be used as a springboard for those wishing to know more about gifted education."
